Invicta is pleased to advise shareholders that the Company, through its wholly-owned subsidiary Euro Driveshaft Limited, which forms part of its Replacement Parts Auto – Agri ("RPA") business segment, has acquired 100% of the share capital of Imexpart Limited ("Imex") in the United Kingdom (the "Acquisition").

Description of the business

Established in 1986, Imex is a leading independent truck parts distributor offering a genuine alternative to the franchised network. IMEX offers value for money across all product ranges:

- Parts for DAF®, Mercedes®, Volvo®, MAN®, Iveco®, Renault®, Scania® and other trucks;
- Replacement parts for MAN® coaches and buses;
- Quality parts for all makes of engines for cars, vans and light commercials vehicles;
- Full range of replacement parts for Cummins® Engines; and
- Full range of replacement bumpers & step panels.

Imex's premises are located in Birmingham and Leeds in the United Kingdom, primarily servicing customers in the United Kingdom and Ireland.

Rationale for the Acquisition

Invicta's strategic focus is to diversify into new geographical areas, in the industries and markets in which Invicta has significant experience and strong management capabilities. Imex is operating successfully in the British and Irish aftermarket parts distribution industry and its acquisition provides a platform for Invicta to grow its global RPA business. We aim to realise synergies through Invicta's procurement capabilities, sourcing inventory for Imex's clients on a more cost effective basis, and providing access to a broader range of products. In addition, Imex has product ranges which can be cross-pollinated into Invicta's existing operations.

Effective date

The effective date of the Acquisition was 1 July 2023.

Categorisation of the Acquisition

The acquisition of Imex does not constitute a categorised transaction in terms of the Listings Requirements of the JSE Limited and accordingly this information is disclosed on a voluntary basis.
